Representative in Congress — Ninth Congressional District	John Joseph Moakley, Boston
United States Senators	John F. Kerry Edward M. Kennedy
Town Meeting	Second Monday in April
Town Election	Fourth Monday in April

ANNUAL REPORT

OF THE

TOWN OFFICERS

OF THE TOWN OF

EASTON

FOR

1990

DEDICATION

We are saddened by the loss of our friend, Valentine Peter Muscato. A man for all seasons, Val was a dedicated teacher, coach, athletic director, a trusted mentor, a compassionate friend, and a devoted public servant. Throughout his life, he gave of himself and his time to help not only his students and his athletes but also all with whom he came in contact. As a husband and a father, he shared his love and beliefs with a supportive family. Val served as a model of honor and exemplary character for all of us.

For over three decades "Muzzy" influenced students, athletes, and colleagues at Oliver Ames High School. By example and teaching, he provided an understanding of the ingredients of character development; discipline, commitment to a cause, clean sportsmanship, loyalty, and "the burning desire" to succeed. He instilled in all a sense of spirit and pride which reflected his own high standards.

Val's dedication to Easton's youth extended beyond Oliver Ames High School. Whether umpiring Little League games, performing in Immaculate Conception Church shows, or working for the Easton Huskies, Muzzy served the town in countless ways. As Recreation Commission Director he worked diligently to insure that programs for the enjoyment of thousands of Easton residents would continue. As a member of various fund raising organizations for sports teams, he generously gave of himself for the benefit of others.

Valentine P. Muscato was an outstanding educator, athlete, and humanitarian. He enriched the lives of all who knew him. We will miss his kindness and his humor. A humble man, Val never expected recognition or thanks for his work. His passing will leave a void that cannot be filled; however, his legacy will servive him. He would agree with Alfred, Lord Tennyson's words:

> *We are not now that strength which in the old days*
> *Moved earth and heaven, that which we are, we*
> *are —*
> *One equal temper of heroic hearts,*
> *Made weak by time and fate, but strong in will*
> *To strive to seek, to find, and not to yield.*

IN MEMORIAM

Valentine Muscato

Michael Loring

Abraham Brooks

John McGarry

Gerald Groom

Herbert Anderson

In recognition of services of these dedicated citizens who performed their civic duty with enthusiasm and pride, the citizens of Easton hereby give formal expression of its grievous loss and does hereby note in its records their passing from this life and extend to their families their heartfelt sympathy.

EASTON TOWN OFFICERS

1990 — 1991

MODERATOR

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Easton:

In April after the election of John Leahy and Fred Clark, the Board was reorganized with Leo R. Harlow elected Chairman and James D. Mullen, Jr., Clerk.

The Board had approximately forty-four regular meetings during the year. Contracts were negotiated with the Police and Fire, and after prolonged bargaining settled with the Police for fiscal years '90 and '91. The Board has not as yet been able to settle with the Fire Department.

We are again in a fiscal crisis as State aide has been reduced. We are asking the cooperation of all unions and non-union personnel in a wage freeze, so that town services can be maintained at the present levels. We understand that our employees are being asked to bear a heavy burden and show great self sacrifice for the town, and hope that sometime in the future they can be rewarded for present sacrifices.

The Board awards licenses in many areas, always with the concern for the town's needs. These included liquor, auto dealer, and others.

The new addition to the Police Dept. was completed, and is a monument to the work of the committee and townspeople. It shows both frugality and foresight, and should be an asset for many years.

The board is ever vigilant to the needs of the public and endeavor to reserve the quality of life to which we have become accustomed. We commend the efforts of all the people who contribute to make our boards and committees successful. Our success as a community depends on the dedicated effort of these many people and we know they cannot be thanked enough.

We thank all our personnel, and all our volunteers for helping to make Easton a community we can love and of which we can be proud.

Respectfully submitted,

Leo R. Harlow, Chairman
James D. Mullen, Jr., Clerk
Fred Clark
William Hardin
John Leahy

REPORT OF THE BOARD OF ASSESSORS

To the Citizens of Easton:

The following annual report is submitted herewith:

The Town voted to implement quarterly tax billing for fiscal year 1991 which meant that the first two tax bills, which were issued for payment on August 1 and November 1, 1990, were preliminary payments based on the fiscal year 1990 tax rate of $10.62. The actual tax bill was mailed in December 1990 for payment on February 1 and May 1, 1991. This bill included amounts for the override which was voted in the spring of 1990 and the tax increased to $12.63.

Fiscal year 1992, which begins July 1, 1991, is a revaluation year and the Town will be certified by the Department of Revenue prior to the setting of the tax rate. Sales that occurred during 1990 will be analyzed to determine the new values.

A summary of the recapitulation sheet for fiscal year 1991 is as follows:

Assessed Value of Real Estate	$1,217,610,169
Assessed Value of Personal Property	18,349,225
Total Assessed Value of Real and Personal Property as of January 1, 1990	$1,235,959,394
Expenditures:	
Appropriations	23,833,703.95
Cherry Sheet Offsets	41,380.00
Snow & Ice	31,035.97
State and County Charges	266,473.00
Overlay	247,227.15
Total Expenditures	$24,419,820.07
Estimated Receipts & Available Funds:	
State Receipts	$ 4,936,780.00
Local Receipts	2,429,000.00
Offset Receipts	21,000.00
Enterprise Funds	1,133,041.00
Free Cash/Other Available Funds	289,831.92
Total Receipts and Available Funds	$ 8,809,652.92
Net Amount to be Raised by Taxation	$15,610,167.15

Tax Rate = 15,610,167.15 ÷ 1,235,959,394 × 1000 = 12.63

Respectfully submitted,

John A. Keach, Chairman
Charles C. Willis, Vice-Chairman
Harry W. McCabe, Clerk

REPORT OF THE FINANCE COMMITTEE

The Easton Finance Committee Consists of 15 elected citizens from various professions and backgrounds. The Committee is charged with reviewing all fiscal facts related to the Town and report its recommendations to the annual and special Town meetings. The Committee also oversees the Town's emergency reserves known as the reserve fund.

Again this year municipal government faces a shortfall, we should be used to this situation by now. It is important that all citizens realize that problems at the State House in turn mean problems in Easton. The current system of municipal finance makes the cities and towns dependant upon something they have no control over — State Government. Easton has changed its fiscal makeup over the years, but again more change is needed to get by this year.

As of this writing (2/28/91) we are awaiting word from the State on the amount of State assistance (local aid) we will receive. The figures we are using, assume we will receive the same as last year. All indications would leave me to believe we will receive less. We must revisit this budget before July 1st to account for the shortfall.

The budget in place for the Annual Meeting has no significant changes over FY 91, including any amount for possible increases in labor contracts. The solutions to our problems can't be found until we know the full extent of our revenue and expenditure implications. Please keep abreast of these developments and scheduling of special town meetings.

Easton's capital expenditures have been curtailed during the last few years in order to "get by". This year we have a chance to start repairing and improving our physical plant. These developments have been made possible by creative financing and the current regional economy. The slumping economy has lowered construction prices, the Town can achieve its objectives at a lower cost and put people to work. I would direct your attention to the presentations given at town meeting for complete details.

The Committee extends a warm welcome to new members Thomas Anderson, Patricia Hunt, Kent Keith and former Selectman Richard Lane. And in that spirit, we extend best wishes and sincere appreciation to outgoing members John Dreystadt, Stephen McAlarney, John Rodenbush, Robert Sims, and David Varella. On a personal note, this will be my last report as

Chairman, I wish to thank my peers who elected me to represent them and the voters who had to listen to our grim forecast. The friends I leave behind and experience I take with me will not be forgotten.

Wayne Whitney

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To summarize the work of almost 400 teachers, administrators, secretaries, custodians, aides and 3200 children and their parents in the school system is not a brief task. What follows is, per force, a summary of the events of a particularly productive and demanding year.

Communications

Throughout the year the school system concentrated on keeping the Town of Easton informed regularly of the schools' successes, problems and challenges, through the publication of school newsletters and the system newsletter, **Y.E.S.** (Your Easton Schools), as well as the regular broadcasting of both School Committee meetings and **Your Schools in Action,** on Continental Cablevision.

Student Achievement

At the beginning of many School Committee meetings, student achievement is being celebrated. The band, chamber orchestra, show choir, and jazz band continued to collect state and national awards for excellence. Sports retained its high level in the Hockomock League, the most competitive league in the state. Oliver Ames teams won more than their share of honors. In speaking and writing contests, the high school had regional and state finalists; four students won awards in the State Science Fair; five students won awards at the Wang Center Art Show; and in the Industrial Arts State Drafting Contest, Oliver Ames students took four of the top ten honors. OAHS had three Merit Finalists for 1989-90 and two finalists for 1990-91.

SAT scores continued to climb. The Science Olympics team won its league and has won the Hockomock League competition three of the last four years. The Academic Bowl team finished as state champion, capping off a very sucessful season that included two appearances on television.

AP Calculus scores continued to improve: the average score was exactly 4.0. Fifteen juniors took the Advanced Placement United States History examination, twelve of whom scored 4 or above.

Cooperation with the Town

The schools also maintained their cooperation with the Town on the Steering Committee, the Loss Control Committee, Department Head Meetings as well as in other specific planning efforts such as the capital expenditures process. Services have been exchanged where appropriate.

Cooperative efforts on the part of the elementary schools and the Education Department of Stonehill College have provided valuable learning experiences for students and staff at both institutions.

Maintenance of Buildings

Among the many areas addressed this year have been the passage of the bond article to repair the Center School roof; the expansion of the playing fields; the assessment, repair, and replacement of custodial equipment; the preventative work done on school boilers, burners and septic systems; the cleaning of windows and rugs for the first time in many years and the recruiting of replacement custodial staff members.

Funding

The override funds which increased the FY 91 school budget by 8% or $958,187 allowed the schools to provide education at the same level as the year before. No new personnel was added, although positions were shifted throughout the schools system to reflect the changing enrollment patterns. Activity fees were continued; booster and other support groups contributed an increasingly larger proportion of the funds needed to maintain the extracurricular and enrichment activities and programs in the schools.

Technology

Academically, it was a year of increased technology. The Massachusetts Corporation for Educational Telecommunications installed a satellite dish at the high school to allow access to distance learning and to educational events outside the school district. Continental Cablevision rewired the schools for both the institutional and residential loops, thus allowing educational television to be used in the schools. Computers continued to be upgraded, as MacIntosh and IBM clones replaced badly outdated 32K TRS-80s. At the secondary schools, course offerings are being revised to reflect these advances. The computers have been purchased through the work of F.E.E.E. (The Foundation for Excellence in Education in Easton), federal and state funds, private donations from individuals and organizations, and the school system budget.

Student Activities

Exchange programs continued, adding Liberia, Costa Rica for its Spanish exchange. Two dozen Oliver Ames students and two dozen Costa Rica students were involved. The French exchange celebrated its sixth year. Nine students from Oliver Ames went to Forges-les-Eaux, France. Four students studying Latin were prize winners in the Junior Classical League's Latin exam.

Other out-of-state experiences involved twenty-one students in the week-long Washington D.C. Close-up program. Two groups of students visited the U.S.S.R. during 1990. The Grade Six Math team from the Easton Middle School placed second in the National All Star Academic Team Competition in Lexington, Kentucky.

Activities abounded in a variety of disciplines. They included a two-day Model United Nations with Town Moderator Richard C. Dailey as the Secretary-General, week-long Constitutional Convention, a two-day Hockomock Senate at Franklin, a National Geographic Bee; various student publications: *The Olivian*, *The Eastoner*, *Innisfree*, *Reflections*, *Tiger Times*.

Profile of the Class of 1990

The Class of 1990 compiled an enviable record in terms of test achievements. A full 52% went on to four-year colleges and 25% more were accepted to junior colleges, three-year programs and specialized curriculum and post secondary placements. The Class of 1990 also represented the school system well on the college board testing. It scored more that 20% higher than the National, New England and Massachusetts averages. Finally, the Class was granted more financial aid awards than any of its predecessors.

Attitude and Atmosphere

Finally, despite the turbulence and uncertainty of the times, teachers and administrators performed their educational duties at an extremely high level. Students had access to the kind of instructional opportunities they had had in prior years.

The strength of the Easton Public Schools continues to reside in its students, its staff and the community which supports education. The Town can be justifiably proud of its school system.

Respectfully submitted,

Isa Kaftal Zimmerman,
SUPERINTENDENT OF SCHOOLS

REPORT OF THE EASTON SCHOOL COMMITTEE

The Easton School Committee is pleased to submit the following report to the citizens of Easton.

At the annual April town election, Christine Margulies and Paul Olean were re-elected to three-year terms. Later in the year, due to a job transfer, Paul Olean was forced to resign. In September, at at joint meeting of the Board of Selectmen and the remaining members of the School Committee, Louis Esposito was unanimously appointed to complete the remaining year.

Objectives established by the Committee include the following: maintain credibility and trust in the school system; increase collaboration with appropriate agencies for greater efficiency, productivity and resources; review and revise policies as needed; establish long-range plans for improvements to school facilities and programs; develop and maintain an atmosphere of mutual respect for all constituencies. Continued progress is being made in meeting these objectives within the financial constraints with which we are faced.

As we move into 1991, our major concern is the lack of adequate funding for our school system in order to reduce class size, to provide adequate materials and supplies, to update textbooks and initiate new programs. In addition, we are most concerned about the continual deterioration of our school buildings, with ages ranging from 20 to 95 years. The necessary significant expenditure for corrective measures cannot continue to be postponed.

Due to the unfortunate financial situation with which our Town was faced early this year, we contemplated the potential of laying off some 60 members of our teacher staff, along with the resultant elimination or curtailment of many school programs including: music, art, athletics, physical education and others.

Confronted with this potential devastation to our school system, we felt it necessary to request the Easton voters to approve a levy limit override in the amount of $1.9 million to maintain the current level of our educational capability. We are indebted to those people who worked so hard to help insure passage of the override and we are particularly indebted to the large number of Easton citizens whose favorable vote resulted in the override approval. It was emphasized that in achieving the override approval no new programs or staff positions were funded.

This year, again, we have lost a number of valued staff members who have contributed so much, over so many years, to the success of our school system. We extend our sincere appreciation and gratitude to the following persons with our best wishes during their retirement years or other endeavors:

Lisa Bishop
Robert Durling
Lisa Hanson
Anne Harris
Mary Ellen Hinson
Mary Jasper
Robert Kendall
Sharon Longton
Edna McGranachan
Veronica Miller
Robert Natusch
Alden Randall
Paul Sullivan
Debra Swieca
Robert Walsh
Janice Wheeler
Robert Wooster

On Thanksgiving Day, the Valentine P. Muscato Stadium was dedicated in honor of an exceptional individual who was so instrumental indeveloping this outstanding sports complex. Val Muscato retired at the end of the 1989-90 school year. Our whole Easton community and beyond were deeply saddened by his death on January 13.

During these times of financial constraint resulting in large class sizes, shortage of adequate supplies and equipment, we are indeed most fortunate in having a teaching administrative and support staff dedicated to affording the youth of Easton the best possible educational and extra-curricular opportunities. We are continually uplifted by reports from student alumni who indicate that their success in higher education endeavors in largely due to the education they received in the Easton school system.

We are indeed most fortunate in receiving the extensive parent and booster group assistance provided in so many ways, particularly financial. The newly established "Foundation for Excellence in Education" (F.E.E.E.) has been initially successful in obtaining additional education funds for enhancing the availability of computer technology in our school system.

Dr. Zimmerman completed her first full year as Easton's Superintendent of Schools and has consistently shown her dedication, tireless effort and extreme competence in striving to maximize the educational opportunities afforded Easton's students. She has introduced a new level of computer technology, so vital to the total education of our students. She sets high standards for herself and for her staff and has established effective communication channels with her staff, parents and the community as a whole. In addition to the dedication of Dr. Zimmerman, we are most fortunate in having the other two members of our central office staff, John Walsh an Dr. William Simmons, both of whom expend extensive time and effort in fulfilling their respective responsibilities. In addition to serving as Assistant Superintendent, Dr. Simmons also serves most capably in his position as Director of Special Education in overseeing an outstanding special needs program.

As we move into 1991, we look to the continued outstanding support of our total school staff, together with the support of our community, as all of us share a concern for this most important responsibility—the education of Easton's current and future students.

Respectfully submitted,

Donald E. Anderson, Chair
Carla A. Goodwin, Vice-Chair
Louis Esposito
William D. Gloekler
Christine E. Margulies

REPORT OF THE ANNUAL AUDIT

The Annual Audit of the books and accounts of the Town of Easton for the fiscal year ending, June 30, 1990, was made by Thevenin & Company, P.C., Certified Public Accountants.

A copy of the report is on file at the Town Clerk's Office.

Respectfully submitted,

Esther C. Anderson, C.M.C.
TOWN CLERK

REPORT OF THE TOWN ACCOUNTANT

I submit my report for the year ended June 30, 1990.

This office has continued to expand and improve its use of the computer system which has resulted in timely monthly reporting.

We have continued to monitor the budgets of all departments and have assisted them when requested.

My report also includes the balance sheet for the Town of Easton as of June 30, 1990.

Respectfully submitted,

Ernest R. Camara

REPORT OF THE DEPARTMENT OF PUBLIC WORKS

To the Honorable Board of Selectmen:

I respectfully submit herewith the report of the Department of Public Works for the year ending December 31, 1990. The reports for each Division are submitted by the individual Superintendents.

Easton has continued to grow, at the close of the year there was a total of 112.96 miles of accepted roadways and 13.1 miles of water mains to be maintained by the Department. Unfortunately, this growth has not been enough to offset personnel losses in the Department. This past year we continued to lose positions. We currently have 32 authorized slots. This allotment consists of 3 management/administrative; 4 office/clerical (2 of which are part-time); 5 working supervisors; and 20 staff. I bring those numbers to your attention to help you understand the commitment of each and every member of the Department. The year 1988 saw 50 positions being allocated and staffed. Today, these reductions have caused us to curtail, delay or cease to offer many of the services traditionally expected of this Department. However, the men and women of the Department have taken on extra duties to pick up the slack wherever possible to continue to provide the best service possible to the citizens of Easton and to deliver the same in a timely fashion. We appreciate the patience and understanding of your Board and our good citizens during this crisis.

Upon the retirement of Daniel Amorim, a re-organization took place which saw the responsibility of the Tree Division being given to the Highway Superintendent, and the Building and Grounds Division being added to the Water Superintendent. Mr. Jacobson and Mr. Southworth, respectively accepted these additional duties and responsibilities with no additional benefit. . .they both deserve our respect and admiration. A special recognition must also be given to Wayne Southworth, Our Water Superintendent, who not only took on additional supervisory duties but also assumed the role of Acting Director of Public Works until this candidate was selected and hired. Wayne has also been recognized by his peers and elected President of the Massachusetts Water Works Association. At this time it would also be appropriate to recognize the retirements of Marion Nye as Office Manager, replaced by Janice Jacobson and Joseph Cardoza as Tree Foreman, replaced by Paul O'Neill. Thank you all for jobs well done.

The year did see some improvements to our roadway system. Rockland Street was given a leveling course. Central Street was cold-planed, widened and overlayed. Depot Street, from Church Street to the State layout was also cold-planed, widened and overlayed. One lane of Route 106 was given a skim coat. And finally, the Mass. D.P.W. reconstructed a section of Route 138 along with County Lane.

The Landfill continues to be a prime concern. We are currently carrying on an operation to cover and regrade. We are still working with our consultants to obtain permission to expand the Landfill. We acquired two (2) additional trailers for recycling; and through the American Legion another trailer has been set up for used clothing. The recycling Committee has been extremely active in promoting. . .*Reduce. . .Reuse. . .Recycle.* They have produced videos which will begin to air on the cable network which describe the Easton facilities and tell further the recycling story.

It seems appropriate, to thank the Town Administrator and his staff for their support and the Board for their guidance. We appreciate the co-operation we have received from all Town Agencies and Committees and hope that we have returned the same.

Respectfully submitted,

Paul E. Wollenhaupt
DIRECTOR OF PUBLIC WORKS

REPORT OF THE HIGHWAY SUPERINTENDENT

To the Honorable Board of Selectmen:

I hereby submit my report for the year 1990 for the following divisions: Highway, Maintenance, Landfill, Tree and Snow & Ice.

This past year has brought us a new Director of Public Works, Mr. Paul Wollenhaupt, whom I would like to welcome to the Town of Easton and our DPW staff.

The Highway Division cold planed and resurfaced Central Street and a section of Depot Street from Church Street to the State job on Washington Street. We also leveled by hand approximately 2 miles of Rockland Street with over 250 tons of asphalt. This was a joint venture with the Water Division. We began the enlargement of the Town Office Parking area which will be completed in the spring. New steel beam guard rail was installed on Route 106, Rockland Street, Norton Ave and Elm Street. All Town roads were swept and the edges mowed.

The Maintenance Division, as always, has done a great job in keeping the Towns fleet of 100 vehicles and pieces of equipment in good running condition. The fact that we have a mechanic who also does body work has enabled us to keep our vehicles looking good and to repair any damages that might occur without sending them out to a body shop for costly repairs. We had no major breakdowns this past year but need to upgrade our fleet on a regular basis in order to perform the work that is needed by the Town. Our Maintenance Division also made a small canopy and placed it over the gasoline pumps at the DPW for the installation of an Ansul Fire Protection System.

The Landfill has been regraded and we should have some area left while the Department and the Towns people decide which will be the best alternative as far as recycling and refuse are concerned. We are preparing to expand our recycling to include cardboard and plastic bottles. At present we recycle newspaper, tires, oil, paint, batteries and metal. We also have a compost area for yard waste, leaves, brush and grass. Our turnaround area has been a well appreciated addition for the Landfill by the people of Easton.

Upon the retirement of Daniel Amorim in March, I was asked to take over the responsibilities of the Tree Division. We have only two men in this division and they have been kept extremely busy with the removal of dead and diseased trees throughout the town. We also sprayed for poison ivy and gypsy moths. We sprayed the gutters to eliminate the weeds on the Town roads and we planted 17 new trees in different areas of the Town. We also removed and trimmed the dead and overgrown trees at the Town Office.

During the winter season the DPW responded to 21 salt and sanding operations and 6 snow plowing operations. We put out over 2,400 tons of sand and 850 tons of salt mix along with approximately 1700 gallons of liquid calcium. This was our first season using liquid calcium. With approximately 110 miles of road, 220 lane miles, we covered over 5,940 miles during snow and ice removal operations.

I would like to thank all the men in my divisions for their continued support and loyalty to the Department of Public Works and the Town of Easton. I would also like to thank the office staff and the other divisions for their help and cooperation during the past year.

Respectfully submitted,

Edward C. Jacobson
HIGHWAY SUPERINTENDENT

REPORT OF THE WATER DIVISION

To the Honorable Board of Selectmen:

I respectfully submit the following report and pumping record for the year 1990.

Month	Gallons Pumped	Month	Gallons Pumped
January	43,473,000	July	59,437,000
February	38,451,000	August	54,665,000
March	44,693,000	September	50,928,000
April	44,965,000	October	45,871,000
May	47,139,000	November	42,573,000
June	54,410,000	December	43,451,000

Total gallons pumped in 1990 570,056,000

The greatest amount pumped in one day was 2,570,000 gallons on June 17, 1990.

1990 Precipitation:	Rain	47.485	inches
	Snow	37.1	inches

Average pH:	5.1
Highest pH: 3/16/90	6.7
Lowest pH: 11/7/90	3.8

The Water Division responded to 2,978 service and emergency calls.

Connected 75 new services for a total of 5,681 active services, including Stonehill.
677 meters were replaced.
Renewed 4 services.
Repaired 6 service leaks.
Repaired 4 -6″ broken water mains.

1 hydrant was replaced and 8 others hit by automobiles, were repaired.

In 1990 new subdivisions added to our system:
385 - feet of 4″ water mains.
435 - feet of 6″ water mains.
1665 feet of 8″ water mains.
1200 feet of 10″ water mains.
11 new fire hydrants.

We now have a total of 132.1 miles of water mains and 1.105 hydrants in our system.

Our Backflow Prevention Program consisted of 63 buildings being surveyed: 9 Industrial, 51 Commercial, 2 Institutional and 1 Municipal.

As a result of these surveys, numerous actual and potential Cross Connection Violations were found to exist. All unprotected violations were required to be protected with an appropriate Backflow Prevention Device. The number of new devices installed were: nineteen (19) Reduced Pressure Zone; forty-eight (48) Double Check Valve Assemblies; and numerous nontestable devices. Our records show that we now have a total of one hundred & four (104) testable devices.

The Water Division performed one hundred seventy-two (172) Backflow Prevention Device Tests and inspected three (3) air gap separations with tank and pump arrangements.

Water Division Personnel assisted the Highway Division in a Road Repair Project on Rockland Street during the Summer months.

Prolonged Pump tests were completed at both the Wheaton Farm and Borderland State Park well sites. The State Department of Environmental Protection is now reviewing the results of those tests and reports.

Upon receiving their approval, plans and specifications will be sent out for bids to construct the Wheaton Farm Pumping Station.

Amory Engineers of Duxbury was selected as the firm to prepare the plans and specifications for replacement and construction of a new 12″ water main on Main Street from the Rockery to North Main Steet at Harlow Street. This work should beign during the Summer of 1991.

During Drinking Water Week in May an Open House was held at Pumping Station #4. Awards were presented to winners of the annual Water Conservation Poster Contest.

Employees assisted at two Household Hazardous Material Collection Days on May 12 and September 15 in Brockton and worked with the Canoe River Acquifer Advisory Committee on Saturday, March 3, at the Land Use Conference at Wheaton College; and Saturday, May 5, at the Spring Awareness Day in Mansfield.

Slide presentations describing the water system were shown to several civic groups and school classes as requested.

Shirley Tufts was appointed Office Assistant filling the vacancy created by Dorothy Stone who retired this year with over 20 years of faithful service to the Easton Water Works and Barbara Paras was hired as Senior Clerk.

On November 8, 1990, I was elected Forty-first President of the Massachusetts Water Works Association. This was the most gratifying point in my career being selected by my peers to serve other 1,100 water works professionals.

I would like to recognize all the employees of the Water Division for their courteous and friendly service they displayed to the public during the past year: Shirley Tufts, Barbara Paras, John Marsh, Richard Buckley, Raymond Keyes, John Fresh, Jr., Scott Habelt, Michael Berry, and Richard Mueda.

Respectfully submitted

Wayne P. Southworth
SUPERINTENDENT WATER DIVISION

REPORT OF THE BUILDING AND GROUNDS, PARKS AND CEMETERIES DIVISIONS

To the Honorable Board of Selectmen:

I respectfully submit the following report for the year 1990.

These two Divisions have seen many changes during the past year. I was asked to supervise them when Daniel Amorim retired after 36 years of service to the town.

Due to the severe budget cuts and personnel reductions in the D.P.W., there are only two full-time personnel remaining in these Divisions. Three part-time personnel are hired for ten weeks in the summer to assist with the mowing.

The Town Office and all town owned parks and cemeteries were mowed. Broken gravestones were repaired and sunken gravesites were reloamed. All areas were cleared of leaves in the fall.

The Town Pool was cleaned and prepared for the summer season. A new 400 gallon chlorine tank was installed and the chemical metering pumps were rebuilt. A chlorine safety class was held for all pool employees.

Voting booths were set up and maintained for elections at the five precincts.

The painting was completed on the interior of Fire Station #2 on Depot Street and the heating system was converted to natural gas.

Daily custodial work was done at the D.P.W. The front facade of the building was repaired and stained and the front offices were painted.

A new ansul fire protection system was installed at the D.P.W. yard over the gasoline pumps. Additional fire protection equipment was installed at the Town Office.

All municipal owned underground fuel tanks were tested and three 275 gallon oil tanks were installed in the boiler room of the Town Office, replacing the old 1000 gallon underground tank.

Carpentry and painting was performed at the new library on Depot Street.

Assistance was given to the Highway Division during snow emergencies.

Emergency maintenance was performed at all municipal buildings when requested.

A special thanks to Paul Boushell and Manuel Mendonca for their hard work and assistance throughout the year.

Respectfully submitted,

Wayne P. Southworth
SUPERINTENDENT
WATER DIVISION

REPORT OF THE ENGINEERING DEPARTMENT

To the Board of Selectmen:

This year saw a major transition with the separation of the duties and responsibilities of the Director of Public Works, the separation of the Engineering Division from the Department of Public Works and the creation of a separate Engineering Department, with a full time Town Engineer, in July. The transition involved the movement of furniture, equipment and records from the DPW Building to the Town Offices. At the end of this calendar year, however, the transition is not quite complete because of the need to inventory and separate records.

The Engineering Department, by its nature, provides engineering services and expertise to most Town agencies, particularly the Department of Public Works, Planning and Zoning Board and Conservation Commission. In addition, it plays a major role in the preparation and publication of specifications and requests for proposals. It prepared approximately two dozen such documents this year for eight Town Agencies.

An impasse in the progress of the Main Street Reconstruction Project has now been experienced because of the desire of the Federal Highway Administration for a pavement and layout width wider than the Town is willing to accept. Steps have been taken by the Main Street Reconstruction Advisory Committee and the Board of Selectmen to break this impasse.

The single vendor trash collection contract, being prepared by the Single Vendor Trash Collection committee, is almost ready to be presented to the Town. The Committee is planning to include a recycling option in the specifications.

Earlier this year, the DPW said good-by to four long-time and respected employees who retired: Daniel Amorim, Tree Warden and Building and Grounds Superintendent; Joseph Cardoza, Tree Foreman; Marion Nye, DPW Office Manager; and Dorothy Stone, Water Division Principal Clerk. They deserve the respect of all residents for their dedication in providing quality service to the Town.

Respectfully submitted,

Howard Shaevitz, P.E.
TOWN ENGINEER

REPORT OF THE BOARD
CANOE RIVER AQUIFER ADVISORY COMMITTEE

The Canoe River Aquifer Advisory Committee (CRAAC) was established by an act of the State Legislature in 1987. Its membership is comprised of representatives from the towns of Easton, Mansfield, Norton, Foxborough, and Sharon. The purpose of the committee is to promote the regional protection of drinking water supplies within the Canoe River Aquifer.

On March 3, 1990, CRAAC sponsored a land use conference, *''Using Land While Protecting Water Supplies in the Canoe River Aquifer''*. The conference was held at Wheaton College in Norton. Co-sponsors of the conference were Easton Lions Club, MassCLEAN, and the Land Trusts of Easton, Norton, and Mansfield.

The conference featured prominent speakers, known for their expertise in the land planning and land preservation, estate planning, and land use effects on water supplies. Robert Lemire, land use consultant and author of *Creative Land Development: Bridge to the Future,* and Randall Arendt, Associate Director at the Center for Rural Massachusetts, discussed the conservation of land and resources while "building what needs to be built". Stephen Small, tax attorney and author of *Preserving Family Lands,* discussed development options that are available to land owners and the tax consequences and benfits associated with these options. Chris Clark, attorney and land planner, and hydrogeologists, John Donohue, IV and Joseph Selvetti, talked about the importance of groundwater and how development impacts its quality. Over one hundred and fifty people attended the conference, and the committee received many compliments regarding the program's professional format and content.

As a result of the conference, the Land Trusts of Easton, Norton, and Mansfield formed the Canoe River Land Trust Coalition. The coalition's purpose is to provide information to landowners within the five member towns on how to combine saving land with saving taxes. Landowners, who are interested in such tax saving issues, may contact the coalition at the following address: P.O. Box 187, Easton, Ma 02375 or by calling 238-0693.

On October 22, 1990, CRAAC, along with the City of Taunton, submitted an application to the Department of Environmental Management (DEM) to designate the Canoe River Aquifer as an Area of Critical Environmental Concerns (ACEC). The purpose of such a designation is to protect and preserve essential areas of natural and cultural significance. In order to be designated an ACEC, the applicant must demonstrate four of eight significant resources within the area. These resources are: fishing habitat, wetlands, river systems, water supply, natural hazards, agricultural areas, historical significance, and endangered plant or animal species. The committee's application incorporated at least seven of these categories.

Upon review of the application, the Secretary of Environmental Affairs, John DeVillars, notified CRAAC on December 27, 1990, that the nomination had been accepted. DEM has since scheduled public information meetings for February 7, 1991, in Taunton and February 14, 1991, in Mansfield to explain the purpose and effects of an ACEC designation. Following these meetings, a public hearing will be held regarding the resources of the nomination and the appropriateness of the designation. A decision on the designation will then be rendered by the Secretary of Environmental Affairs within sixty days of the hearing.

As part of CRAAC's commitment to educate the public on water supply protection, the third annual Spring Awareness Day was held at the Mansfield Fish and Game Club on May 5, 1990. The traditional canoe ride on the river took place, followed by a program featuring speakers, Maria VanDusen and Stephen Hurley from the Division of Fisheries and Wildlife and Senator Keating. Plans for the fourth Spring Awareness Day are currently underway for May 1991.

In addition to the Awareness Day, CRAAC has begun a series of educational seminars. The first seminar was held at Mansfield's town hall on October 30, 1990. Dr. William Jobin, PhD., director of Rumford River Laboratory, spoke on "Mitigation of Aquifer Impacts by Local Boards". Another seminar on underground storage tanks has been planned for February 6, 1991, at Stonehill College in North Easton.

CRAAC has set up exhibits at the Mansfield Home Show and at Borderland State Park. The committee has also responded to requests from groups wishing to emulate the committee's work, and committee members have spoken at their meetings.

CRAAC continues to encourage public and official attendance at its meetings. Meetings alternate between towns on the first Thursday of each month at 1:00 p.m. The meeting locations are posted at the town halls.

Respectfully submitted,

Joan F. Sozio
SECRETARY

REPORT OF THE BUILDING DEPARTMENT

To the Honorable Board of Selectmen:

I hereby submit the annual report of the Office of the Inspector of Buildings and Zoning Enforcement Officer.

Respectfully submitted,
John Pires
INSPECTOR OF BUILDINGS
ZONING ENFORCEMENT OFFICER

REPORT OF THE EASTON PLANNING & ZONING BOARD

To the Citizens of Easton:

The Planning & Zoning Board continues its pursuit to achieve satisfactory land use planning. The cooperative effort by Town boards and departments in reviewing proposals has been a most successful technique used to ensure satisfactory land use.

During 1990, thirty evening meetings were held and two week-end site meetings were held by the Board. An ongoing review of the Subdivision Rules & Regulations and the Zoning By-Law was made and Regulations and By-Laws of other communities were studied. The Board members are also studying impact fees and the method of implementing such fees. After many meetings and discussions, the Subdivision Rules & Regulations were amended in November, 1990, to include "Review Fees". The amendment became effective in November. The Board devoted its time to extensive design review of subdivisions, site plan review, monitoring and inspections of subdivisions and inspection of sites for compliance with approved site plans, monitoring of cash bonding for subdivisions, discussion with the zoning enforcing officer regarding problems of mutual concern, and consultation with town counsel regarding planning & zoning matters and legal concerns. The Board attempted to obtain funding at Annual Town Meeting for the purpose of providing a comprehensive planning and growth management study. This article was dismissed and will again be submitted for Annual Town Meeting in 1991.

Thirty plans not requiring approval under the subdivision control law were reviewed and twenty-eight were endorsed.

Three preliminary subdivision plans were submitted and two were approved. Seven definitive subdivision plans were approved, one rejected, and five definitive plans are still under review. The approved definitive plans are as follow: Canoe River Estates, 25 lots located off Foundry Street; Emerson Estates, 3 lots located off Foundry Street; Grand Oaks, 3 lots located off Pammys Path; Meetinghouse Lane Extension, 20 lots at end of Meetinghouse Lane Extension; Metacomet, 10 lots located off Gilmore Road; A 2-lot subdivision on Depot Street; A 2-lot subdivision located at the end of Peterson Road;

In addition to the inspections made by the Department of Public Works, Engineering Department, and Philip O'Connell, P.E., the consulting engineer, over fifty site inspections were made by members of the Board. The inspections include site inspections prior to the issuance of occupancy permits.

George Watson, PhD, who was on the Board for over eight years, resigned in May as he and his wife plan to move out of state. George's contributions and efforts on behalf of the Board are appreciated and will be missed. Mr. Dana Shave also resigned in the fall due to family commitments. Mr. Shave, a P.E., made a valuable contribution to the Board and he will be missed. Mr. Gene Farrell, a former member of the Board, was welcomed back in

July to replace Dr. Watson, and Mr. Daniel McAuliffe joined the Board in November to replace Mr. Shave.

We express our appreciation to the citizens of Easton, the employees and board members of other Town agencies, Howard Shaevitz and Robert Dunn of the Department of Public Works and Engineering Department, Philip O'Connell, and all others who have worked with us during 1990.

Respectfully submitted,

Frederick Clark, Chairman
Christopher Kone, Clerk
Stephen Donahue
Gene Farrell
Daniel McAuliffe
PLANNING & ZONING BOARD

REPORT OF THE CONSERVATION COMMISSION

To the Citizens of the Town of Easton:

In the year 1990 the Commission held forty-nine (49) public hearings and fifty-seven (57) continued public hearings under the Wetlands Protection Bylaw, Article 29 Town of Easton Bylaws and M.G.L. Ch. 131, s. 40. This is a slightly larger amount than the previous year, with most projects of a much smaller scale. Also issued were eight (8) Enforcement Orders.

On November 28, 1989 the Easton Conservation Commission nominated a portion of Easton as an Area of Critical Environmental Concern (ACEC). Then on February 10, 1990 the Executive Office of Environmental Affairs designated a total of 16,800 Acres in and around the Hockomock Swamp as an Area of Critical Environmental Concern. The purpose of such an ACEC designation is to recognize the critical environmental importance of certain areas and to notify regulatory agencies and the public that development activities affecting them must meet higher environmental quality standards. The 5.300 acres in the Town of Easton are bounded as follows: beginning at the West Bridgewater/Easton town line (West/Purchase Streets); west and north along Purchase Street to Depot Street; west and southwest along Depot Street to Bay Road; south along Bay Road to Dean Street; east to Norton town line.

In December of 1990 the Easton Conservation Commission assisted the Canoe River Aquifer Advisory Committee and five other municipalities, in preparing a second ACEC proposal. On December 27, 1990 the Executive Office of Environmental Affairs accepted the Canoe River Aquifer, Snake River, Watson Pond, and Lake Sabbatia nomination totalling 17,900 Acres with 3,575 acres in Easton bounded as follows: westerly on Dean Street to Bay Road; northerly on Bay Road to Highland Street; westerly on Highland Street to South Street; northerly on South Street to Poquanticut Avenue; northerly on Poquanticut Avenue to Massapoag Avenue; and northwesterly on Massapoag Avenue to Sharon.

The Commission would also like to acknowledge the gifts of land from Patrick Kelley, Trustee, of 32.001 Acres located off of Depot Steet and from Jeffrey Coffman, Alan & Suzanne Zaff of 14.894 Acres located in the "Rockmeadow Estates" subdivision off of Washington Street. The Commission also purchased a 39.67 Acre parcel of land from Gary Werden located at the northwest corner of Wheaton Farm Area.

The Commission would like to give special thanks to the members of the DPW for the support they have given us with inspections, review of plans, and miscellaneous other items.

All of the Commission members would like to thank the Town boards and officials who have assisted us over the past year and to thank our fellow citizens for their continuous and vigilance help in protecting our valuable wetlands.

Respectfully submitted,

John S. Haederle, Chairman
Fredeick W. Clark, Esq., Vice Chairman
John E. Grant
Forest E. Henderson
Michael G. Sites

REPORT OF THE BOARD OF HEALTH

To the Citizens of Easton:

In compliance with the General Laws of the Commonwealth of Massachusetts, it is our pleasure to herewith submit to you a summary of the work done under the Board of Health for the year 1990.

Kristina L. McGill was re-elected to a three year term at the annual election in April. At the organizational meeting, Robert J. Kane was elected Chairman. Staff include Director of Public Health Mary P. Connolly, C.H.O., Agent/Assistant Administrator/Burial Agent JoAnne Pilz, Milk Inspector and Animal Inspector John D. Melin, Plumbing Inspector Daniel A. McNeill, and Associate Plumbing Inspector Robert A. Govey. The Board accepted with regret the resignation of Inspector Colleen Welch who's position was not funded for FY 91. Director of Public Helth Mary P. Connolly, C.H.O. also serves as Right-To-Know Coordinator, Passenger Safety Coordinator and Hazardous Waste Coordinator.

Nursing services were provided by agreement with the Community Health Agency, Inc. of Attleboro. Laboratory services were provided as need by Oliveira's Environmental Laboratories.

A grant was again received by the Board to offer fluoride mouth rinse to pupils in grades 1-4 in the Easton school system. The Board expresses it's appeciation to the nurses and volunteers who have administered the program.

Annual clinics which were sponsored by the Board of Health were the Influenza Immunization Clinic, Cholesterol Clinics, Diabetes Screening, and Blood Pressure Screenings. The annual Rabies Clinic was also conducted. Health statistics are available at the Board of Health office.

During the course of the year, the Board participated in many wellness and informational events. We, along with the Department of Public Health, continued to support passenger safety by promoting buckling up and driving sober. We continue to urge preventative measures and work with various groups, including local, state and national agencies in this regard.

At the annual town meeting, the citizens of Easton voted to allow the Board of Health to implement a non-criminal method of disposition of violations of the Board of Health rules, regulations and codes. Interim Administrative Assistant Andrew Kopp was working on an article for other town departments and in December finalized a Town of Easton ticket. We are awaiting receipt of these tickets to enable the Board of Health to implement this tool which is proving very successful in other communities.

Chapter 593, Acts of 1989 authorized Boards of Health and others to establish special accounts for the collection and expenditures of fees paid by a developer. The Board of Health voted regulations and the special account was set up. This has helped the Board in light of town meeting cutting the

Inspector's position from the FY 91 budget. We have been most fortunate in obtaining the services of Philip O'Connell.

On October 1st, the citizens voted $20,000 to allow the Board to hire an outside consultant to conduct the required food service inspections which have fallen behind because of loss of the inspector position. The implementation of this has been slowed by the difficulties encountered in the new 31B Procurement Law. These problems have now been resolved with Town Counsel and the program is ready to begin.

Although town meeting eliminated the salary for Animal Inspector John D. Melin, he has continued to serve in this capacity. The Board has allowed the Animal Inspector's expenses to be taken from their expense account. John's dedication to this position, the Milk Inspector position, and his full time Fire Department position is reflective of his commitment to his community.

There were 839 permits issued by the Board. These include Food Establishments, Catering, Mobile Food, Milk Licenses, Disposal Works Construction Permits, Dispoal Works Installers, Plumbing, Dumpsters, Dumpster Service, Swimming Pools, Transport Offal, Motels, Cabins, Trailer Parks and Funeral Directors, Non-Alcoholic Beverages and Massage Licenses. The Board again reviewed their fee schedule and made adjustments in fees which had not been increased for several years. In regard to Food Service Establishments, a sliding scale fee adjustment was made to lessen the burden on smaller businesses.

In April, we received notice that the potential existed for an outbreak of Eastern Equine Encephalitis. Easton, sitting on top of the Hockomock Swamp is always in a vulnerable position. The emergence of large broods of mosquitoes was evident in early spring. A trapping station located in Easton and we received weekly reports. Bristol County Mosquito Control intensified their efforts (see their report elsewhere in this book). In July, meetings were attended with various State departments which led to aerial spraying. The Board appreciates the consideration and cooperation of Easton residents throughout this period. State agencies have already started planning for earlier and more extensive treating of known breeding areas. Watch the newspaper for reports or call this office.

The problem of septage disposal continues. Through a town meeting vote, the Board obtained permission to go to the legislators to petition the court to grant permission to establish a Revolving Fund which would allow the town to obtain fees from private haulers to cover the tipping fee from waste water treatment plants. This bill was rolled in with many other requests for revolving funds for other communities. This general bill was finally promulgated in December. We are awaiting word from Town Counsel as to whether the fund can be started without going back to town meeting.

During the summer Mary P. Connolly of the Easton Board of Health was contacted by Professor Sylvia Keyes, Management Science and Aviation Science Department of Bridgewater State College and was invited to participate in a Recycling Market Study which was to be conducted by the college's

Industrial Marketing class from September 10th to December 3rd, 1990 which was done and we are in possession of a very valuable document as a result of the students work.

We have been working with varying town and State agencies in the field of solid waste management. We are pleased with the work of the Recycling Committee and other groups as we all work together to solve the problems of solid waste. Mary Connolly has represented the town at Anawan regional meetings enabling the town to receive credit for participating in a regional group.

Problems with underground storage tanks continue and we encourage people to have tanks removed before leakage problems occur. The number of 21E studies continue to burden many town departments in addition to our own as environmental issues continue to rise.

Different problems are arising due to the slow down of the economy which places additional challenges on this office. The new poor's needs are varied and different and creative ways must be found to deal with these.

The Board appreciates the cooperation of the various town board and departments and continues to work closely with the Department of Pulic Health and the Department of Environmental Protection and other agencies of the Commonwealth.

Respectfully submitted,

Robert J. Kane, Chairman
Kenneth F. Hurley
Kristina L. McGill
BOARD OF HEALTH

REPORT OF THE BOARD OF HEALTH ANIMAL INSPECTOR/MILK INSPECTOR

To the Board of Health and the Citizens of Easton:

It is with pleasure that I herewith submit my report of my activities during 1990.

ANIMAL INSPECTIONS:

3 dairy herds; 110 cows age two and over, 41 heifers one to two years, 38 calves under one year, and 2 bulls. 6 beef herds; 121 beef cows age two and over, 59 heifers one to two years, 61 calves under one year, 5 bulls, and 11 steers. 2 oxen, 32 goats, 5 sheep, 125 swine, 62 horses, 42 stable inspections, 20 animal bites investigated (19 dog, 1 cat) and 61 dead animals.

MILK INSPECTIONS:

173 milk and cream samples, 39 soft ice cream samples, 63 yogurt, sour cream and cottage cheese samples were taken from 102 stores, restaurants, schools and nursing homes. All schools and nursing homes are inspected monthly, restaurants and stores every three months.

It is a priviledge to serve the town and the townspeople and I express my appreciation to all who have assisted me in my performance of my duties, especially JoAnne Pilz, Board of Health Agent.

Respectfully submitted,

John D. Melin
Animal Inspector, Milk Inspector
BOARD OF HEALTH

REPORT OF THE VETERANS' SERVICES DEPARTMENT

During 1990, 76 veterans or their dependents received assistance through either the Veterans' Benefits or the Veterans' Services Programs.

Through the Benefits Program, 19 veterans or their widows and children received financial assistance with household expenses and/or medical bills. This program was open to low income Easton veterans or their dependents who met the income and asset guidelines that were established by the Commonwealth of Massachusetts, Commissioner of Veterans' Services. The monthly benefits were paid from local appropriation with the State reimbursing the Town for 75% of the veterans benefits issued.

During the past year 60 individuals received assistance through the Services' Program. This program was open to all Easton veterans or their dependents regardless of income. As Veterans' Agent, I provided direct service or advocated on behalf of the veteran with various agencies to obtain assistance. If the veteran was unable to come to the Town Office because of poor health, I made a home visit. Some veterans filed applications or submitted information to the Veterans Administration regarding pensions, compensation claims, burial benefits, education benefits, or home loans. Others applied for fuel assistance or received help in filing for Social Security, SSI Disability or Medicaid. Some sought help with nursing home placement or obtaining property tax exemptions.

I wish to thank the Board of Selectmen, Finanace Committee and residents of Easton for their continued support of this Veterans' Services Department.

Respectfully submitted,

Dolores M. Kent,
VETERANS' AGENT

REPORT OF THE RECREATION DEPARTMENT

The Recreation Department continued to operate attractive programs for the community. Through the leadership of Valentine Muscato, Director and Kenneth Wood, past Chairman, the "Concerts in the Park" band concerts programs were successful during the summmer. There were seven concerts conducted at the scenic Frothingham Park on a bi-weekly arrangement for Wednesday nights. Robert Wooster, Park Director, was extremely cooperative, both with the concerts and our traditional program for the younger children.

Also, during the summer the instructional and recreational swim programs prospered with a record number of enrollees. Tennis lessons increased to an additional two weeks because of its popularity. The six youth track and field meets for the youth ranging in ages from one through twelve was received with a lot of notoriety.

During the Fall-Winter-Spring terms, the Recreation Commission continued to sponsor and conduct programs that were totally self-supporting as follows:

A. Fall/Winter/Spring:
    1. Open Gym Basketball
    2. Over "30" Basketball
    3. Co-ed Volleyball
    4. Space Youth Programs

B. Winter
    1. Youth Basketball (formerly Easton Church League)
    2. Recreational Ski Trips

C. Spring:
    1. Recreation "T" Ball
    2. Youth Girls' Softball

The Commission is indebted to the appropriation from the community in allowing the summer swim program to continue through a new receipt account voted at last year's Town Meeting. The Commission likewise is appreciative of the efforts, dedication and enthusiasm of Theresa Mandeville.

Respectfully submitted,

Valentine P. Muscato, Director *(deceased)*
Kenneth Wood, Interim Director
Peter Perron, Chairman
Patrick Goodman
Charles Hammond
Al Harrison
John Veale
RECREATION COMMISSION

IN MEMORIAM

On January 13, 1991 Valentine P. Muscato, Director of the Recreation Department passed away. The Town of Easton was most fortunate to have had the benefit of expertise and dedication for the past seven years.

His passing will be a great loss to the community, but we all have profited from his many contributions.

REPORT OF THE COUNCIL ON AGING

During 1990, the Council on Aging contacted the 2,529 elderly residents of Easton through our bi-monthly newsletter which was mailed or delivered to each elderly household. In addition to the newsletter, the Council provided approximately 69,300 units of service in transportation, nutrition, recreation, outreach and referral services to 870 of our elderly residents.

We transported elders and handicapped residents to medical appointments, grocery stores, shopping mall, the Senior Center and local hairdressers on our lift-equipped shuttle bus, mini-van, car or with one of our volunteers.

Ol Colony Elderly Services provided hot lunches for our elders at the Center and supplied meal-on-wheels program.

Instructional and recreational programs were offered in board games, bowling, bridge, ceramics, crafts, knitting/crochetting, line dancing, painting, walking club and quilting. The Easton Arts Lottery Council provided partial funding for our art, craft, ceramic and line dancing classes. The health education series continued at the Senior Center. The Council sponsored day trips and overnight tours.

Our outreach worker made home visits to elders and arranged a variety of home care services for those in need by working with local social service agencies, volunteer groups and private homemakers. Volunteers and staff members took fuel assistance applications, issued senior citizen ID cards, completed Bay State Gas discount cards and distributed government surplus food to low-income residents.

We would like to thank the many volunteers who make our programs possible and the Easton Housing Authority for the use of their community hall for our Senior Center programs. We extend our appreciation to the Board of Selectmen, the Finance Committee and the residents of Easton for their continued support of our elderly services and programs.

Respectfully submitted,

Robert Keefe, Chairman
Jerry Fitzgerald, Vice-Chairman
Beatrice Boucher, Secretary
M. Celia Scully, Treasurer

Dolores Kent, Director

REPORT OF THE EASTON HISTORICAL COMMISSION

The Easton Historical Commission continues to carry out its responsibilities as stated in Chapter 40, section 80 of the Massachusetts General Laws (1969). The Commissioners continue to encourage a sense of awareness in the community for the uniqueness of the historical resources of our town, especially through the distribution of copies of the *Historical Maps of Easton.* Members of the Commission are active members on some of the town committees, such as the Veterans Memorial Committee and the Main Street Project. They also continue to assist other committees, (Town Office Expansion Committee) and commissions in the protection of our historical assets. Several times this year, the Commission has received valuable assistance from the National Park Service and the Massachusetts Historical Commission.

The resignations of Paul E. Bloom and Maidene F. Hackett are noted with regret. Both Commissioners rendered admirable service to the town. We wish them well in their new endeavors. The members do welcome David Morse and Gina MacKeen as new commissioners.

The Commission expresses its appreciation to all townspeople and local organizations for their advice and support during the past year.

The Historical Commission meets the third Tuesday of each month. Attendance of the public is welcome.

Respectfully submitted,

John J. Kent, Chairman
Gloria J. Stafford, Secretary
Edmund C. Hands
Gina MacKeen
David Morse
Hazel L. Varella

REPORT OF THE CEMETERY COMMISSION

The Commission has continued to wash and clean headstones in Town owned Cemeteries. Thanks to Gordon Melin who has done a splendid job. Thanks also to Paul Boushell and Wayne Southworth for taking care of the mowing in each cemetery.

During the current year we plan to mend broken stones as far as we can within the budget.

Respectfully submitted,
Clyde A. Craig, Chairman
Elmer Harlow
John Melin

REPORT OF THE LIBRARIAN
AMES FREE LIBRARY — EASTON'S PUBLIC LIBRARY

Early in 1990 a Joint Library Committee was formed which combined the Ames Free Library Board of Directors with the Easton Board of Library Trustees. Their immediate goals were to open a branch library in the Five Corners area of Easton and work cooperatively toward a new board of directors that would provide more representation from the Town.

The Branch Library at Whistlestop Village near the Five Corners opened in July. The branch is most convenient for parking and is handicap accessible as well. The Branch is benefitting from a grant of $20,000 in federal funds under the Library Services and Construction Act, Title I for FY 1991. The funds were awarded by the Massachusetts Board of Library Commissioners through an open competitive grant process. The grant will provide books, audio tapes, large print books, library equipment and programs for adults and senior citizens and has enabled Town funds to be spent on enriching the Children's collection at the Branch.

The reorganization of the Ames Free Library Board of Directors was completed in November, 1990. The new board consists of nine members, six appointed by the Board and three appointed by the board of Selectmen. This formula is subject to change to allow for greater public representation as the Town's fiscal responsibility for library services continues to increase in the future. Three additional Building and Endowment Directors oversee the Ames Endowments as they relate specifically to the physical plant of the Ames Free Library in North Easton. The By Laws of the Ames Free Library of Easton were revised to include the significant reorganization.

The first great challenge for the new board was to hire a new library director as Jim Frazier left the position in October. Barbra N. Katz became the new Executive Director in February of 1991.

REPORT OF THE AMES TRUST FUNDS

The following statement is supplied the Town Clerk by the office of the Trustees of the Ames Trust Funds.

Following is summary of the Ames Trust Funds held for the benefit of the Town of Easton as of December 31, 1990, together with an estimate of the 1990 income. The estimate for 1990 income is based on the amounts which the various companies are now paying. This estimate does not allow for any deductions which may have to be made before the net income is paid over to the Town of Easton, nor does it take into consideration any reductions in dividends which might be made by the various companies.

	Book Value	12/31/90 Market Value	1990 Income Paid To Town	1991 Est. Income To Town
Highway Fund	$1,189,778.25	$2,606,533.00	$121,640.03	$106,000.00
Highways Perm. Fund	105,683.76	131,649.78	7,430.85	7,000.00
Schools Fund	1,507,049.24	2,226,963.95	104,210.47	96,000.00

REPORT OF THE OLD COLONY PLANNING COUNCIL

As your representatives to the Old Colony Planning Council, Area Agency on Aging Advisory Committee, we are pleased to present this report of the Area Agency's activities for 1990.

In 1990, the Old Colony Planning Council completed its tenth year as the Area Agency on Aging. The Area Agency is responsible for administering Title III funds under the Older American Act for twenty-three communities in southeastern Massachusetts. This federal funding has enabled the Area Agency to respond to the growing needs of elders, particularly those over the age of 85. In partnership with councils on aging and other community agencies, Title III monies have been creatively combined with other funding to develop a range of in-home and community services.

Services funded by the Area Agency during fiscal year 1990 included:

- Senior center and outreach programs
- Home health aide services
- In-home mental health services
- Senior center services for deaf and physically handicapped elders
- Transportation services
- Legal services
- Emergency services
- Congregate and home delivered meals
- Nursing home ombudsman services

These services have become an integral part of the elder service network.

The Council gratefully acknowledges the generous support and cooperation of the Area Agency on Aging member communities, specifically the participation and involvement of the members of the Area Agency on Aging Advisory Committee chaired by Ms. Barbara Farnsworth of Marshfield. The Council also recognizes the work of local boards and commissions and the many government agencies, public and private institutions and individuals who have assisted the Council.

REPORT OF THE OLD COLONY PLANNING COUNCIL

To the Honorable Board of Selectmen and Citizens of the Town of Easton:

As your representatives to the Old Colony Planning Council, we are pleased to present this report on behalf of the Council for 1990.

The Old Colony Planning Council serves as the Area Agency on Aging; the Metropolitan Planning Organization for Transportation Planning; the Region Clearinghouse for the review of federal and state grant applications; and, the Economic Development District responsible for coordinating area economic development efforts. Basic to these designated responsibilities, the Council is the region's planning agency concerned with a wide variety of areawide and inter-municipal issues and concerns such as land use policy, water supply, solid waste disposal, environmental protection, housing and natural resource conservation. The Council also assists its member local governments with grantsmanship services and local technical planning assistance and provides socio-economic information on local and regional trends.

The Old Colony Planning Council District includes fourteen communities for general planning purposes consisting of the City of Brockton and the thirteen towns of: Abington, Avon, Bridgewater, East Bridgewater, Easton, Halifax, Hanson, Kingston, Pembroke, Plymouth, Stoughton, West Bridgewater and Whitman. This year, the Town of Plympton voted to become a member of the Planning District effective January 1, 1991. In its capacity as the Area Agency on Aging, the Council serves a twenty-three community area.

Each municipality is represented on the Council by one delegate and one alternate delegate. The Council members establish policy, develop the work program, employ the professional staff and determines the activities of the Council to be carried out by the staff. The Council meets on the last Wednesday of each month at 8 PM in the Council offices located at 70 School Street, Brockton, MA.

In 1990, Robert W. Smith of East Bridgewater served as President of OCPC; John F. Lenox of Plymouth served as Council Secretary; and, James A. Kassos of Brockton served as Council Treasurer.

The Council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the Joint Transportation Committee chaired by Mr. John Hurley; the Overall Economic Development Committee chaired by Mr. Joseph Joseph; and, the Area Agency on Aging Advisory Committee chaired by Ms. Barbara Farnsworth. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the Council.

Respectfully submitted,

Richard H. Chase, Delegate
Jeanmarie Kent, Alternate

REPORT OF THE HANDICAPPED ADVISORY COMMITTEE

To the Selectmen and Citizens of Easton:

The year 1990 saw a revitalization of activity for the Handicapped Advisory Committee in Easton. Our Town has established this committee to act in an advocacy role regarding issues affecting the quality of life for residents with physical and mental challenges. Our Committee has attempted to familiarize itself with all pertinent State and Federal legislation. We then sponsor changes in the bylaws, policies and infrastructure of Easton so that it will become more accessible to its handicapped citizens. We anticipate addresssing the ongoing needs of Easton's Handicapped and look forward to meeting the challenges ahead.

Respectfully submitted,

Patrick F. McLaughlin, Chairman
Arthur Ponticelli, Vice-Chairman
Charles Cramer
Judy Gill
William Kirkpatrick
Dr. Paul Scheiber
Jeffrey A. Smith
EASTON HANDICAPPED ADVISORY COMMITTEE

REPORT OF THE FAIR HOUSING COMMITTEE

During 1990 the Town of Easton developed a Fair Housing Plan which was accepted by the Massachusetts Commission Against Discrimination and Fair Housing Committee was appointed by the board of Selectmen in May, 1990. Our Committee was formed to facilitate the coordination of factors that affect housing and equal access to housing in the Town and to ensure that programs and activities are developed to prevent and eliminate discrimination in housing in the town of Easton.

We met monthly to discuss fair housing issues, review the Fair Housing Plan and to develop community education programs. In our efforts to reach out to the community, we aired a public service message on the local cable television station to increase residential and business awareness of Fair Housing Laws and developed a fair housing brochure that was distributed to area real estate offices, banks, churches and Housing Authority properties. Our director submitted quarterly reports on our activities to the Massachusetts Commission Against Discrimination.

The Town of Easton is committed to the goal of providing fair housing opportunities to all persons and we look forward to working with the Board of Selectmen, community groups and individual residents in carrying out our work.

Respectfully submitted,

Jerry Fitzgerald, Chairman
Lennart Altieri, Vice-Chairman

The total number of licenses for each of the last six years was as follows:

1984	668
1985	738
1986	770
1987	750
1988	713
1989	739

Respectfully submitted,

Esther C. Anderson, C.M.C.
TOWN CLERK

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

I hereby submit the report of the Easton Fire Department for the Fiscal Year 1990.

The department responded to 3,501 incidents of which 1,150 were Ambulance Runs.

The proper manning of three (3) Station's kept the fire losses at an estimated loss of $379,100.00. The medical emergencies were handled very effectively.

Station #2 on Depot Street and Station #3 on Bay Road were closed on an alternating basis from April thru June due to the shortage of overtime money.

The departments vehicle's must be replaced at least one (1) each year because of the age ranging from twenty (20) to thirty-six (36) years old. Due to the age of these vehicle's, it is imperative to replace yearly for proper fire protection.

The two (2) 1986 Ambulance's also should be replaced every seven (7) years to ensure proper medical care.

Fire Prevention Week was observed in October at all of the Elementary Schools and Day Care Centers where the firefighters gave an excellent presentation for which they take great pride.

I want to take this opportunity to thank each firefighter for the professional manner given to each situation and to the citizens of Easton, as well as, the surrounding towns.

The Easton Fire Department wants to express their appreciation and support given to them by all the citizens, officials, boards and other departments.

Respectfully submitted,

David W. Brown
CHIEF
EASTON FIRE DEPARTMENT

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen:

I respectfully submit the Annual Report of the Year 1990.

The last half of this year has been most difficult due to the reduction in force of three men. Along with this reduction, long-term illnesses and a resignation have helped to deplete our uniformed branch. I am hopeful that we will be able to return to our former personnel level in the not too distant future.

We have moved into the second phase of our station and held the Dedication Service on November 10. I would like to thank Rabbi Paul Levenson, The Reverend Douglas Hall and The Reverend Lucio Phillipino for their participation and blessing.

We are all very proud of our facility and would like to thank the townspeople for supporting the issue and giving us one of the finer police stations in the Commonwealth.

I would like to extend my thanks to the members of the Department and the various other Departments in the Town for their cooperation and support throughout the year.

Respectfully submitted,

Walter Healey
CHIEF
EASTON POLICE DEPARTMENT

TOWN Clerk

ANNUAL TOWN MEETING WARRANT

MAY 7, 1990

BRISTOL, SS.

To either of the Constables of the Town of Easton in the County of Bristol:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and Town affairs to meet in the Oliver Ames High School Auditorium in said Easton on Monday, the 7th day of May next, at 7:30 P.M. then and there to act upon the following articles:

Moderator Richard C. Dailey called the 265th Annual Town Meeting or order at 7:50 p.m. with quorum present. The following non-voters were voted admittance to the hall: Anne Carney, Assistant Assessor, Howard Shaevitz, DPW Director, Ernest R. Camara, Town Accountant, Cynthia M. Curry, Treasurer-Collector, Isa Zimmerman, School Superintendent, Eric Davis, Computer Consultant, William Simmons and Andrew Miller, School Department, Gary Werden, Developer of Walden Woods regarding seven street acceptances, Atty. Richard Wainwright regarding three street acceptances, James G.H. Moore, Continental Cablevision and Scott Heather, Stephen Paul, Robin Rindini and Leane Straczynski, Microphone Carriers, delegates to Boys State and Girls State.

ARTICLE 1. To see if the town will vote to accept the reports of the Selectmen, Town Administrator, Assessors, Board of Health, Town Clerk, Treasurer, Collector of Taxes, School Committee, Town Accountant, Director of Public Works, and other Departments, Boards, and Committees of the Town, or take any other action relative thereto.

Submitted by the Board of Selectmen
UNANIMOUS

ARTICLE 2. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 2, 1990 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17, or take any other action relative thereto.

Submitted by Board of Selectmen
DISMISSED

ARTICLE 3. To see what sum of money the Town will vote to instruct the Assessors to use from Surplus Revenue to reduce the tax levy for the current year, or take any other action relative thereto.

Submitted by Board of Selectmen
DISMISSED

ARTICLE 4. To see if the Town will vote to authorize the board of Selectmen to accept and enter into contracts for the expenditure of any funds allotted by the Commonwealth for the construction, reconstruction, or improvements of public roads, or take any other action relative thereto.

Submitted by Board of Selectmen
DISMISSED

ARTICLE 5. To see if the Town will vote to appropriate by transfer from Surplus Revenue (Free Cash) certain sums as may be necessary to pay bills incurred in prior Fiscal Year, or take any other action relative thereto.

Submitted by Board of Selectmen
DISMISSED

A motion to advance Article 70 was not a vote.

ARTICLE 6. To see if the Town will vote to amend the General By-Laws of the Town, Article 33 — Sale of Second Hand Motor Vehicles as follows:

a. By changing the last sentence in Section 1 to read as follows:

The number of such licenses to be issued by the Licensing Authority to the Town of Easton on an annual basis shall not exceed fifteen (15) Class 2 Licenses.

b. by adding a new Section 1A as follows:

Section 1A. The limitation of number of licenses to be annually issued by the Licensing Authority contained in Section 1 shall not apply to the current lawful holders of Class 2 Licenses, and such licenses may continue to be reissued provided that the holders thereof comply with all other requirements of the law."

c. To repeal Section 2 in its entirety and insert in place thereof the following:

Section 2. A Class 2 License as defined in Section Fifty-Eight of Chapter One Hundred Forty of the Massachusetts General Laws may be issued to any person whose principal business is the buying or selling of second hand motor vehicles, who falls within the limit of fifteen (15) licenses to be issued by the Licensing Authority of the Town of Easton on an annual basis.

or take any other action relative thereto.

Submitted by Board of Selectmen
NOT A VOTE

ARTICLE 7. To see if the Town will vote to amend the General by-Laws of the Town, Article 14 — Personnel Administration by adding to Section 5-4, 2), a new part to read as follows:

‘c) C.O.A. Van Driver 40**

**includes a ½ hour lunch break”

or take any other action relative thereto.

Submitted by Board of Selectmen
UNANIMOUS VOTE

ARTICLE 8. To see if the Town will vote to amend the General By-Laws of the Town by adding a new Article dealing with the disposal of hazardous materials as follows:

ARTICLE 39 — DISPOSING OF HAZARDOUS MATERIALS

Section 1. No person, corporation or other entity shall deposit, pipe, dispose or otherwise place any hazardous material, including septage, waste oil or other petroleum product or by-product, in or upon any public way, way that is open to public easement or in or upon any catch basin, or manhole contained therin, or in or upon any stream, brook, pond, wetlands or other watercourse or water body.

Section 2. Any person, corporation or other entity violating any provision of this By-Law shall be subject to a fine of not more than $200. Each day that such violation continues shall be considered to be a separate offense.

Section 3. Any person, corporation or other entity violating any provision of the By-Law shall be subject to paying for all costs associated with cleaning the area of the materials which it originally deposited, piped, disposed or otherwise placed.

or take any other action relative thereto.

Submitted by Board of Selectmen
UNANIMOUS VOTE

ARTICLE 9. To see if the Town will vote to amend the General By-Laws of the Town, Article 14 — Personnel Administration, by repealing section 10-11 in its entirety and substituting the following:

> 10-11 MATERNITY LEAVE Every female shall be entitled to maternity leave as provided for in MGL, Chapter 149, Section 105D, except that the first six (6) weeks of said leave shall be at the employee’s regular rate of weekly compensation, and female employees who adopt a child under 18 years of age, or under 23 if the child is mentally or physically disabled, will be entitled to the same maternity leave that is presently available for female employees who take a leave to give birth.

or take any other action relative thereto.

Submitted by Board of Selectmen
VOTED

ARTICLE 10. To see if the Town will vote to amend the General By-Laws of the Town, Article 21 — Licenses of Delinquent Taxpayers, by deleting the words " for not less than a twelve month period" from Section 1, or take any other action relative thereto.

Submitted by Board of Selectmen
DISMISSED

ARTICLE 11. To see if the Town will vote to amend the General By-Laws of the Town, Article 14 — Personnel Administration, Section 11, by adding the words "Engineering Department" after the word "Officer", or take any other action relative thereto.

Submitted by Board of Selectmen
NOT A VOTE

ARTICLE 12. To see if the Town will vote to amend the General By-Laws of the Town by correcting the numbering of Article 33 — Mandatory Recycling By-Law, to Article 34, or take any other action relative thereto.

Submitted by Board of Selectmen
UNANIMOUS VOTE

ARTICLE 13. To see if the Town will vote to amend the General By-Laws of the Town by adding a new article as follows:

ARTICLE 40 — Noncriminal Disposition of Certain Violations of By-Laws and Rules and Regulations

Section 1. Pursuant to the authority of General Laws Chapter 40, Section 21D to which reference is made for any defined herein taking cognizance of a violation of a specific Town By-Law or rule or regulation of the Building Department which he or she is empowered to enforce may as an alternative to initiating criminal proceedings give the offender a written notice to appear before the clerk of the district court not later than twenty-one (21) days after the date of such notice. Such notice shall be in triplicate and shall contain the name and address, if known, of such offender, the specific offense charged, and the time and place for his required appearance. Such notice shall be signed by the Enforcing Person, and shall be signed by the offender whenever practicable in acknowledgment that such notice has been received.

Section 2. The Enforcing Person shall, if possible, deliver to the offender a copy of said notice at the time and copy of said notice, said copy shall be mailed or delivered by the Enforcing Person, or by the Board of Selectmen or their designee to the offender's last known address, within fifteen (15) days after said violation. A certificate shall be made by the person so mailing such notice that it has been mailed in accordance with the By-Law and General Laws Chapter 40, Section 21D.

Section 3. Any person notified to appear before the clerk of a district court as herein before provided may so appear and confess the offense charged, either personally or through a duly authorized agent or by mailing to such clerk with the notice such specific sum of money not exceeding three hundred dollars ($300) as the Town shall fix as penalty for violation of the By-Law, rule or regulations. Such payment shall, if mailed, be made by postal note, money order or check. The payment to the clerk of such sum shall operate as a final disposition of the case.

Section 4. If any person so notified to appear desires to contest the violation alleged in the notice to appear and also to avail himself or herself of the procedure established pursuant to this section or General Laws Chapter 40, Section 21D, he may, within twenty-one days after the date of this notice, request a hearing in writing. Such hearing shall be held before a district court judge, clerk or assistant clerk shall, after hearing, find that the violation occurred and that it was committed by the person so notified to appear, the person so notified shall be permitted to dispose of the case by paying the specific sum of money fixed as a penalty as aforesaid or such lesser amount as the judge, clerk or assistant clerk shall order, which payment shall operate as a final disposition of the case. If the judge, clerk or assistant clerk shall, after hearing, find that the violation alleged did not ocurr or was not committed by the person notified to appear, that finding shall be entered in the docket, which shall operate as a final disposition of the case.

Section 5. For purposes of the By-Law, "Enforcing Person" shall mean the Inspector of Buildings/Zoning Enforcement Officer or his designee, the Board of Selectmen or their designee, or any police officer of the Town.

or take any other action relative thereto.

By Petition
DISMISSED

ARTICLE 14. To see if the Town will vote to amend the General By-Laws of the Town by adding a new article as follows:

ARTICLE 41 — Noncriminal Disposition of Certain Violations of By-Laws and Rules and Regulations

Section 1. Pursuant to the authority of General Laws Chapter 40, Section 21D to which reference is made for any procedural matters not specified herein, any Enforcing Person as defined herein taking cognizance of a violation of a specific Town By-Law or rule or regulation of the Board of Health which he or she is empowered to enforce may as an alternative to initiating criminal proceedings give the offender a written notice to appear before the clerk of the district court not later than twenty-one (21) days after the date of such notice. Such notice shall be in triplicate and shall contain the name and address, if know, of such offender, the specific offense charged, and the time and place for his required appearance. Such notice shall be signed by the Enforcing Person, and shall be signed by the offender whenever practicable in acknowledgment that such notice has been received.

Section 2. The Enforcing Person shall, if possible, deliver to the offender a copy of said notice at the time and place of the violation. If it is not possible to so deliver said copy of said notice, said copy shall be mailed or delivered by the Enforcing Person, or by the Board of Selectmen or their designee to the offender's last known address, within fifteen (15) days after said violation. A certificate shall be made by the person so mailing such notice that it has been mailed in accordance with the By-Law and General Chaper 40, Section 21D.

Section 3. Any person notified to appear before the clerk of a district court as herin before provided may so appear and confess the offense charge, either personally or through a duly authorized agent or by mailing to such clerk with the notice such specific sum of money not exceeding three hundred dollars ($300) as the Town shall fix as penalty for violation of the By-Law, rule or regulation. Such payment shall, if mailed, be made by postal note, money order or check, The payment to the clerk of such sum shall operate as a final disposition of the case.

Section 4. If any person so notified to appear desire to contest the violation alledged in the notice to appear and also to avail himself or herself of the procedure established pursuant to this section or General Laws Chapter 40, Section 21D, he may, within twenty-one days after the date of this notice, request a hearing in writing. Such hearing shall be held before a district court judge, clerk or assistant clerk, as the court shall direct, and if the judge, clerk or assistant clerk shall, after hearing, find that the violation occurred and that it was committed by the person so notified to appear, the person so notified shall be permitted to dispose of the case by paying the specific sum of money fixed as a penalty as aforesaid or such lesser amount as the judge, clerk or assistant clerk shall order, which payment shall operate as a final disposition of the case. If the judge, clerk or assistant clerk shall, after hearing, find that the violation alledged did not occur or was not committed by the person notified to appear, that finding shall be entered in the docket, which shall operate as a final disposition of the case.

or take any other action relative thereto.

Submitted by Charter Review Committee
VOTED

A motion to advance Article 31 and move Articles 21 to 30 to the end of the warrant was not a vote.

ARTICLE 21. To see if the Town will vote to petition the Massachusetts General Court to enact legislation to amend the Easton Home Rule Charter by deleting the Ist sentence of Section 5-2, which states "The personnel plan as prepared by the Town administrator shall be published annually in the town report.", or take any other action relative thereto.

Submitted by Charter Review Committee
NOT A VOTE

A motion to advance Article 70 was not a vote.

TOWN CLERK

TOWN OF EASTON
SPECIAL TOWN MEETING
WARRANT

June 11, 1990
Commonwealth of Massachusetts

Bristol, SS.

To either of the Constables of the Town of Easton in the County of Bristol:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and Town affairs to meet in the Oliver Ames High School Auditorium in said Easton on Monday, the 11th day of June, next, at 7:30 p.m., then and there to act upon the following articles:

At 7:40 p.m., there being such a large crowd, it was moved, seconded and voted to adjourn the Special Town Meeting and reconvene to the High School Gymnasium forthwith. The overflow was held in the auditorium using closed circuit televisions, with Deputy Moderator John Creedon, and in the cafeteria with Deputy Moderator John A. Keach, Jr. Moderator Richard C. Dailey, officiating in the gymnasium, called the Special Town Meeting or order at 8:25 p.m.

The following non voters were allowed to enter the hall: Anne Carney, Asst. Assessor, Cynthia Curry, Treasurer-Collector, Andrew Miller, William Simmons, Judith Frederick, Sarah Gallahue, Dorothy Lombardo, School Department, Isa Zimmerman, School Superintendent, Richard Hydecker, Consultant, KLQ regarding Center School roof, James Moore, Continental Cablevision, Steve Murray, Brockton Enterprise, Mark Dailey, Peter Dailey, Stephen Paul, James Olsen, Microphone Carriers.

The following were duly sworn as counters: Lenny Altieri, Richard Carlson, Neil Turcotte, James Rochel, Judy LaFerriere, Anne Judge, Paula Hill, James Howarth, Jennifer Haimson, John Finning, Kathleen Beaudoin, Robert Foster, Bruce Showstack, Gary Spurr, William Alford in the Gymnasium; Jean Turner, Larry Noonan, Larry Robinson, Leonard Quinton, Robert Sims, Joanne Nolan, Edward Mack, Lewis Victor, Denise Mayer, Amy Nowak in the Auditorium; Jeanne Ebert, John David Varella, Jonathan Braverman, Gerald Campbell, Richard Driscoll in the Cafeteria.

ARTICLE 1. To see if the Town will vote to raise and appropriate additional amounts for the budget for fiscal year 1991 and to change the amounts voted for various items in the Fiscal Year 1991 budget as voted at the May 7, 1990 Annual Town Meeting. (adjourned) as shown below:

Department	**Approp. Annual TM.**	**Town Adm. Rec.**	**Selectmen Rec.**	**Fin. Com. Rec.**
School	$11,027,082	$12,918,823	$12,918,823	TO
Fire	1,277,748	1,429,770	1,429,770	BE
Police	1,457,625	1,487,930	1,487,930	MADE
Health Ins	1,424,148	1,428,550	1,482,550	AT TOWN
Unempl. Comp	73,000	33,000	33,000	MEETG

or take any other action relative thereto

Submitted by Board of Selectmen

AN AMENDMENT TO CHANGE THE AMOUNT TO $11,027,082 (ORIGINAL BUDGET FIGURE) WAS DEFEATED UNDER A SECRET BALLOT AS FOLLOWS: 800 YES; 1,486 NO; 14 BLANKS (TOTAL 2,300).

VOTED TO RAISE AND APPROPRIATE THE SUM OF $2,092,470 TO SUPPLEMENT BUDGETS VOTED FOR FISCAL YEAR 1991, AS AUTHORIZED BY THE ELECTION OF MAY 21, 1990, AND FURTHER TO TRANSFER $40,000 OUT OF THE UNEMPLOYMENT COMPENSATION BUDGET FOR FISCAL YEAR 1991, ALSO TO SUPPLEMENT THE BUDGET VOTED FOR FISCAL YEAR 1991, SO THAT THE NEW FISCAL YEAR 1991 BUDGET WILL READ AS PRINTED IN THE WARRANT UNDER THE TOWN ADMINISTRATOR'S RECOMMENDED COLUMN.

A MOTION TO RECONSIDER ARTICLE 1 WAS NOT A VOTE.

ARTICLE 2. To see if the Town will vote to appropriate by transfer from available funds a sum of money to supplement the Police Department budget for the current fiscal year, or take any other action relative thereto.

Submitted by Board of Selectmen

VOTED TO APPROPRIATE BY TRANSFER FROM FREE CASH THE SUM OF $7,500 FOR THE PURPOSE OF SUPPLEMENTING THE POLICE DEPARTMENT BUDGET FOR THE CURRENT FISCAL YEAR.

ARTICLE 3. To see if the Town will vote to raise and appropriate or appropriate by transfer from available funds a sum of money to pay for certain repairs to the Center School Roof, including the cost of architectural, engineering and related fees as well as equipment purchase, and to authorize the issuance of bonds or notes in accordance with the provisions of Massachusetts General Laws, Chapter 44, or take any other action relative thereto.

Submitted by School Committee

VOTED TO APPROPRIATE THE SUM OF $250,000 FOR EXTRAORDINARY REPAIRS TO THE CENTER SCHOOL ROOF, INCLUDING ARCHITECTURAL AND ENGINEERING FEES, AS WELL AS ROOF DUCTS, ROOF FANS, WINDOWS OR WINDOW CASINGS AND SKYLIGHTS: AND THAT TO MEET THIS APPROPRIATION THE TREASURER, WITH THE APPROVAL OF THE SELECTMEN, IS AUTHORIZED TO BORROW $250,000 UNDER G.L. CHAPTER 44, SECTION 7 (3A).

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of $37,163 for the purpose of paying interest and other expenses related to the issuance of bonds and notes to pay the expenses of the repairs to the Center School Roof, or take any other action relative thereto.

Submitted by School Committee

VOTED TO RAISE AND APPROPRIATE THE SUM OF $37,163 FOR THE PURPOSE OF PAYING INTEREST AND OTHER EXPENSES RELATED TO THE ISSUANCE OF BONDS OR NOTES IN CONNECTION WITH THE REPAIR OF THE CENTER SCHOOL ROOF.

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to appropriate a sum of money, by transfer, from the balance remaining in the Station #3 construction account, for use by the Fire Department to complete any remaining work to be done on the Station #3 project, including, but not limited to the following items: the installation of an exhaust fume venting system in the apparatus area, completion of painting the unfinished area of the station, cleaning the sub-basement debris, and landscaping the grounds, or take any other action relative thereto.

Submitted by Board of Selectmen

VOTED TO APPROPRIATE THE SUM OF $10,303.64 BY TRANSFER FROM THE SURPLUS BOND PROCEEDS REMAINING FROM THE CONSTRUCTION OF FIRE STATION #3 FOR THE PURPOSE OF MAKING REPAIRS TO THE FIRE STATION #3 BUILDING AND GROUNDS, SAID FUNDS TO BE EXPENDED UNDER THE CONTROL OF THE TOWN ADMINISTRATOR.

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to raise and appropriate $1,500 to help pay the expense of the Plymouth County Rape Crisis Center, or take any other action relative thereto.

Submitted by Board of Selectmen

VOTED TO RAISE AND APPROPRIATE THE SUM OF $1,500 TO HELP PAY THE EXPENSES OF THE PLYMOUTH COUNTY RAPE CRISIS CENTER.

UNANIMOUS VOTE

ARTICLE 7. To transact any other business that may legally come before said meeting.

AT 11:00 P.M. IT WAS VOTED TO DISSOLVE THE SPECIAL TOWN MEETING.
TOTAL VOTERS PRESENT — 2,381.

A true copy. Attest:

Esther C. Anderson, C.M.C.
TOWN CLERK

TOWN OF EASTON
SPECIAL TOWN MEETING
WARRANT

October 1, 1990
Commonwealth of Massachusetts

Bristol, SS.

To either of the Constables of the Town of Easton in the County of Bristol:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and Town affairs to meet in the Oliver Ames High School Auditorium in said Easton on Monday, the 1st day of October, next, at 7:30 p.m., then and there to act upon the following articles:

The Special Town Meeting was called to order at 7:40 p.m. by Moderator Richard C. Dailey with quorum present. The following non-voters were allowed into the hall: Anne Carney, Asst. Assessor; Cynthia M. Curry, Treasurer/Collector; Isa Zimmerman, School Superintendent; Ernest R. Camara, Town Accountant; Howard Shaevitz, Town Engineer; James Moore and Debbie Descault; Scott Heather, Steven Paul and Robin Rindini, Microphone Carriers; Charles Desalliers and Atty. Robert Catalano regarding Article 15; Eugene Deziel, 16 Paddock Road, new citizen.

Moderator Dailey recognized William Morse who spoke to the Town Meeting regarding FEEE, Foundation for Excellence in Education in Easton who are planning a Dinner Dance on October 26.

ARTICLE 1. To see if the Town will vote to accept Lancelot Lane as a public way from Station 0 to Station 10 + 83 as shown on a plan of land entitled Camelot Estates in Easton, Mass., by Hayward-Boynton & Williams, Inc., dated August 4, 1970 (revised February 17, 1971 and November 16, 1972) and approved by the Planning & Zoning Board on February 24, 1971 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 137, pages 13-17.

The acceptance of said street is contingent upon the owner of said street conveying the fee to the land by way of "Deed of Gift" to the Town within sixty (60) days of the vote of such acceptance. The deed shall contain a complete description of the road and all easements pertaining thereto. The deed is to be deposited at the Board of Selectmen's Office with an as-built/accceptance plan of said land, acceptable to the Planning & Zoning Board, Department of Public Works and Town Counsel, suitable for recording at the Bristol County Northern District Registry of Deeds, together with a payment to the Town covering all recording fees and costs of such instruments at the Registry. All work to be done by developer within 45 days to the satisfaction of the Department of Public Works.

By Petition

VOTED TO ACCEPT LANCELOT LANE AS A PUBLIC WAY SUBJECT TO THE COMPLETION OF THE REQUIREMENTS AS SET FORTH IN ARTICLE 1.

UNANIMOUS VOTE

ARTICLE 2. To see if the Town will vote to accept Eastwood Lane as a public way from Station 150 + 00 to Station 154 + 29.82 as shown on a plan of land entitled "Springhill at Easton" in Easton, Mass., by Hayward-Boynton & Williams, Inc., dated August, 1979 and approved by the Planning & Zoning Board on March 26, 1980, signed on April 9, 1980 and recorded in the Bristol County Northern District Registry of Deeds, Plan Book 186, pages 1-18, amended Plan Book 190, Pages 70-78.

The acceptance of said street is contingent upon the owner of said street conveying the fee to the land by way of "Deed of Gift" to the Town within sixty (60) days of the vote of such acceptance. The deed shall contain a complete description of the road and all easements pertaining thereto. The deed is to be deposited at the Board of Selectmen's Office with an as-built/accceptance plan of said land, acceptable to the Planning & Zoning Board, Department of Public Works and Town Counsel, suitable for recording at the Bristol County Northern District Registry of Deeds, together with a payment to the Town covering all recording fees and costs of such instruments at the Registry. All work to be done by developer within 45 days to the satisfaction of the Department of Public Works.

By Petition

VOTED TO ACCEPT EASTWOOD LANE AS A PUBLIC WAY AS DESCRIBED IN THE WARRANT, WITH NO CONTINGENCIES REQUIRED.

Esther C. Anderson, C.M.C.
TOWN CLERK

ARTICLE 19. To see if the Town will vote to amend the General By-Laws of the Town by adding a new article as follows:

ARTICLE 40 — Noncriminal Disposition of Certain Violations of By-Laws and Rules and Regulations

SECTION 1. Pursuant to the authority of General Laws Chaper 40, Section 21D to which reference is made for any procedural matters not specified herein, any Enforcing person as defined herein taking cognizance of a violation of a specific Town By-Law or rule or regulation of the Building Department which he or she is empowered to enforce may as an alternative to initiating criminal proceedings give the offender a written notice to appear before the clerk of the district court not later than twenty-one (21) days after the date of such notice. Such notice shall be in triplicate and shall contain the name and address, if known, of such offender, the specific offense charged, and the time and place for his required appearance. Such notice shall be signed by the Enforcing Person, and shall be signed by the offender whenever practicable in acknowledgement that such notice has been received.

SECTION 2. The Enforcing Person shall, if possible, deliver to the offender a copy of said notice at the time and place of the violation. If it is not possible to so deliver said copy of said notice, said copy shall be mailed or delivered by the Enforcing Person, or by the Board or Selectmen of their designee to the offender's last known address, within fifteen days after said violation. A certificate shall be made by the person so mailing such notice that it has been mailed in accordance with this By-Law and General Laws Chapter 40, Section 21D.

SECTION 3. Any person notified to appear before the clerk of a district court as hereinbefore provided may so appear and confess the offense charged, either personally or through a duly authorized agent or by mailing to such clerk with the notice such specific sum of money not exceeding three hundred dollars ($300) as the Town shall fix a penalty for violation of the By-Law, rule or regulation. Such payment shall, if mailed, be made by postal note, money order or check. The payment to the clerk of such sum shall operate as a final disposition of the case.

SECTION 4. If any person so notified to appear desires to contest the violation alleged in the notice to appear and also to avail himself or herself of the procedure established pursuant to this section or General Laws Chapter 40, Section 21D, he may, within twenty-one days after the date of this notice, request a hearing in writing. Such hearing shall be held before a district court judge, clerk or assistant clerk, as the court shall direct, and if the judge, clerk or assistant clerk shall, after hearing, find that the violation occurred and that it was committed by the person so notified shall be permitted to dispose of the case by paying the specific sum of money fixed as a penalty as aforesaid or such lesser amount as the judge, clerk or assistant clerk shall order, which payment shall operate as a final disposition of the case. If the Judge, clerk or assistant clerk shall, after hearing, find that the violation alleged did not occur or was not committed by the person notified to appear, that finding shall be entered in the docket, which shall operate as a final disposition of the case.

SECTION 5. For purposes of this By-Law, "Enforcing Person" shall mean any member the Inspector of Buildings/Zoning Enforcement Office or his designee, the Board of Selectmen or their designee, or any police office of the Town.

Submitted by Board of Selectmen

ARTICLE 20. To see if the Town will vote to rescind Article 1 of the Special Town Meeting of September 14, 1981 when it accepted the provisions of MGL Chapter 90, Section 10A and, instead to accept the provisions of MGL Chapter 90, Section 20A-1/2, or take any other action relative thereto.

Submitted by Board of Selectmen

You are directed to serve this Warrant by posting attested copies thereof one at each meetinghouse and post office of the Town and one at the Oliver Ames High

School Auditorium and one at the Town Offices, fourteen days at least before the time of holding said meeting.

Given under our hands this 12th day of September, in the year nineteen hundred and ninety.

Leo R. Harlow
James D. Mullen, Jr.
William D. Hardin
BOARD OF SELECTMEN

Bristol, ss. Easton, Mass. 9/13/90
By virtue hereof and as within directed, I have this day posted attested copies of this warrant.

Katherine Quinn
CONSTABLE OF EASTON

A true copy. Attest:

Esther C. Anderson, C.M.C.
TOWN CLERK
